

So I bow down in reverence to

Holy Mother

*because of what she has done
for me I cannot express . . .*

*She has become the source of strength
the source of knowledge
and also the source of my infinite realization
through Her grace I have seen Her face
I have touched Her feet.*

*I long for release so that I can realize
the highest truth in this very life.*

*So I commend you to the care of
Sri Ramakrishna and Holy Mother
May they illumine your heart
and lift your consciousness
to where God reigns in the world of maya.*
